## Pupil Premium Strategy 2018-2019

Summary information					
School	Coppull Primary School and Nursery				
Academic Year	2018-2019	Total PP budget	£141,120	Date of most recent PP Review	September 2018
Total number of pupils	255	Number of pupils eligible for PP	110	Date for next internal review of this strategy	July 2019

Current attainment		
	<i>Pupils eligible for PP (your school)</i>	<i>Non Pupil Premium national average)</i>
% achieving in reading, writing and maths	63%	70%
% making progress in reading	-2.55 -4.90 to +0.56	+0.31
% making progress in writing	-0.31 -4.69 to +0.61	+0.24
% making progress in maths	+1.38 -1.56 to +3.37	+0.31

Barriers to future attainment (for pupils eligible for PP, including high ability)	
<i>In-school barriers (issues to be addressed in school, such as poor oral language skills)</i>	
A.	Higher than average numbers of pupils with special educational needs
B.	Speech and Language issue in nursery/ reception classes affecting both progress and attainment in early years
C.	Core of children presenting with challenging behaviours
D.	Below national average baselines for majority of pupils entering reception class
<i>External barriers (issues which also require action outside school, such as low attendance rates)</i>	

E.	Attendance and punctuality – persistent absence and lateness	
<b>Desired outcomes</b>		
	<i>Desired outcomes and how they will be measured</i>	<i>Success criteria</i>
A.	Resources in place including accurate provision mapping for all SEND children. Children on EHCPs to be supported in class with recommendations in plans to be adhered to. SEND register to be kept up to date (with categories EHCP/high need/school support) to ensure a full and clear picture is constantly available. SENCO to identify next layer of high end special needs within school and ensure pathway for statement/diagnosis/EHCP sought. All ISPs and IBPs to be completed and shared with both child and family.	<ul style="list-style-type: none"> <li>• SEND children to continue making progress which is tracked and monitored by class teachers and SENCO.</li> <li>• SEND children to be targeted to make 3 terms progress.</li> <li>• Interventions in place to ensure children have mastered basic skills in subjects particularly English and maths.</li> <li>• Whole school SEND data tracked by SENCO. Pupil progress meetings to monitor progress.</li> </ul>
B.	Speech and language interventions/ specialised teaching undertaken with children requiring support. Referrals to speech and language service completed for each child and collaborative working with child/family/school/services being undertaken. Parents to be invited into school in EYFS to understand how to encourage early phonics, reading and opportunities for talk time.	<ul style="list-style-type: none"> <li>• Children are immersed in speech and language activities from Nursery 2.</li> <li>• Children receiving specialist speech and language teaching.</li> <li>• Identified children on SEND register.</li> <li>• ISP targets being worked on by class teachers and replicated at home.</li> </ul>
C.	Children entering reception with low base line results receiving targeted interventions and support with both teacher/TA. IEPs written with realistic and SMART targets which will be reviewed and updated half termly/as and when necessary if sooner. Reading, writing, maths skills to be of particular focus.	<ul style="list-style-type: none"> <li>• Children make progress against their base line and leave reception having closed the gap with their peers.</li> <li>• Data from Reception to Key Stage 1 and then Key Stage 2 shows progress and children achieve at least expected in regards to age related expectations.</li> <li>• Evidence of target setting, reviewed IEP/IBPs and any external agency reports all up to date and completed.</li> <li>• Intervention strategies reviewed and implemented and children to be aware of their own targets and this is shared with parents to consolidate at home.</li> </ul>
D.	Children presenting with challenging behaviour to be supported with any external issues which may be impacting their mental health and behaviour. Staff in school to work with a consistent approach following the school behaviour policy. Children to be referred to specialists i.e. CAMHS where necessary and school to maintain relationship with parents in order to have a joined up approach. Children supported in school via family support team for counselling, nurture groups etc. Continue working relationship with Golden Hill to support children where necessary.	<ul style="list-style-type: none"> <li>• Children requiring support are in school, following the school's golden rules.</li> <li>• Incidents logged on Toot Toot system.</li> <li>• Behaviour policy reviewed and being consistently followed.</li> <li>• Family support team to keep track of which children are being supported and to what level.</li> <li>• Behaviour log (exclusions and traffic light results to be shared with governors.)</li> </ul>

<b>E.</b>	Reduction in % of persistent absence- current figure 11 pupils. Whole school 2017- 2018- 4.6% with 23 children on red traffic light with under 90% attendance. Reduction in number of late arrivals- 2017-2018 148 pupils, 967 sessions. Absence process utilised for any children/families who are persistently absent or late. Families given support where deemed appropriate.	<ul style="list-style-type: none"><li>• Number of children who are persistently absent reduced.</li><li>• Children using funded places at magic breakfast club.</li><li>• Lateness figures reduced.</li><li>• Any barriers for family contributing to absence/lateness are being supported by school via family support team/ SLT.</li></ul>

Schools are free to spend Pupil Premium as they see fit. However, they are accountable for how they use the additional funding to support pupils from low-income families and the other target groups.</i> Ofsted 2013. Enhance and provide support via the family support team for all PP, CLA and SEN children and their families.	<ul style="list-style-type: none"> <li>Family support team to be aware of children/families needing support and this information to be shared with SLT/teacher.</li> <li>Children being supported to be recorded including children who drop in</li> <li>Continuum of Need to be used to assess level of support and this information to be shared with relevant class teacher.</li> <li>Attendance and punctuality of all PP children to be monitored and children with poor attendance/persistent absence to be tackled.</li> <li>Groups/ 1:1 sessions arranged for any identified children.</li> <li>Toot Toot to be used as a communication tool between staff and safeguarding lead creating a chronology for any identified children.</li> <li>Barriers to learning identified and supported</li> </ul>	<p>NFER document on supporting disadvantaged pupils reports the need to: <i>Have an individualised approach to addressing barriers to learning and emotional support, at an early stage, rather than providing access to generic support and focusing on pupils nearing their end-of-key-stage assessments.</i></p> <p>Many of our children face multiple barriers to learning due to their home life and multi deprivation indicators. In order for our children to make progress, time is spent working with children and their families to identify and overcome where possible these inhibiting factors, in order to allow them the ability to learn and reach their full potential. The family support team are an invaluable resource without whom, many of our children from disadvantaged backgrounds would suffer academically as well as emotionally and socially.</p> <p>The family support team focus on emotional well-being of pupils and this allows teachers to focus on the academic progress of the child. The Magic Breakfast club was started as a funded charity but due to the positive impact on children in terms of allowing them the time to be ready to learn and starting the day in a calm, structured manner, school took the decision to finance the club once the funding ceased. The 2013 Ofsted report on pupil premium pointed out that: <i>A robust system provided well-targeted support to improve attendance, behaviour or links with families where these were barriers to a pupil's learning and had a clear and robust performance management system for all staff, and included discussions about pupils</i></p>	<ul style="list-style-type: none"> <li>Regular meetings with family support team manager and SLT to update and discuss families requiring support and placement on continuum of need.</li> <li>Pre and post checks on children supported to determine whether the child/family/barrier to learning has been rectified.</li> <li>Attendance and punctuality monitored daily by family support team. Stepped approach and follow up on each absence/late mark. A reduction of persistent absence.</li> <li>Children selected for groups monitored closely with parental agreement and support. Necessary paperwork completed and progress shared with SLT/class teacher where identified.</li> <li>Concerns about children recorded and chronology produced to document any concerns.</li> <li>50% of places at magic breakfast taken by children eligible for pupil premium.</li> <li>Pupil premium governor to liaise with pupil premium lead to review progress/ participation and expenditure.</li> </ul>	CD NF LP	<ul style="list-style-type: none"> <li>Weekly SLT meeting to discuss families/children</li> <li>Attendance and punctuality monitored daily and half termly report produced.</li> <li>Toot Toot monitored daily.</li> <li>Magic breakfast numbers collected weekly and reported to STL half termly.</li> <li>Regular TAF/CAF meetings involving any multi-disciplinary agencies involved with child.</li> <li>Governor reviews at full governing body meetings three times a year.</li> </ul>

	<p>though family support team.</p> <ul style="list-style-type: none"> <li>• Magic breakfast offered to any families in need of support to ensure children are ready for learning.</li> <li>• Family Support Team to continue 1:1s/group working on any barriers to learning. <p><b>PP children targeted for extra curricular provision to ensure they are receiving a broad and balanced curriculum and experiencing new opportunities.</b></p>	<ul style="list-style-type: none"> <li>• Clubs to include opportunities for children eligible for pupil premium in all year groups.</li> <li>• A range of clubs organised to appeal to all children and to ensure diversity of experience.</li> <li>• Monitor registers to ensure PP children are accessing clubs and free places offered to children funded via PP.</li> <li>• Each club to hold a minimum of 25% places for PP children.</li> </ul>	<p>We are committed at Coppull Primary School and Nursery to ensuring that all children in our care are able to access a multitude of learning experiences outside the classroom. Children are given the opportunity to go on educational visits, experience visitors to school and to take part in sporting events and competitions, music and playing instruments and any other creative non-core subject experience. We offer disadvantaged pupils funded places on trips and visits and ensure that all children are able to access these opportunities and events irrespective of their family income or circumstances. We offer funded places at before and after school care club provision to allow parents to have the opportunity to seek work options. 1:1/small group tuition is available for children who are identified as needing additional support outside of the school day. We also run a variety of after school clubs where we make a commitment that at least 25% of places will be taken by children in receipt of pupil premium. Funding is used for children to attend these clubs. <i>The full range</i></p>	<ul style="list-style-type: none"> <li>• After school activity club organiser to ensure that club requests are checked and that 25% of places are taken by children eligible for pupil premium.</li> <li>• Out of school care club provision to be monitored by care club manager to ensure funded places are available for eligible families on a need basis.</li> <li>• Sporting events/competitions registers checked to ensure PP children are accessing.</li> </ul>	<p>CD LP NF</p>	<ul style="list-style-type: none"> <li>• Half termly attendance registers monitored for out of school care clubs and after school activity clubs.</li> <li>• Ad hoc meetings with parents when childcare for eligible pupils becomes problematic.</li> </ul>

<p><b>Subsidised provision where necessary for PP children</b></p>	<ul style="list-style-type: none"> <li>• Trips and visits subsidised for PP children to ensure they are able to take part.</li> <li>• Breakfast for children who haven't eaten and snack at break time for all children who have not had breakfast/do not attend magic breakfast.</li> <li>• Uniform/PE kits provided but kept in school for children not provided with them.</li> <li>• Contributions towards resources for special days held in school.</li> <li>• After school club funded on an adhoc basis in extenuating circumstances.</li> </ul>	<p><i>of educational experiences – support is given to ensure that all pupils have full access to broad educational experiences, such as residential courses, competing in sporting events and career-linked finance and banking events. Ofsted 2013</i></p> <p>Children are still attending school not having had breakfast. Magic breakfast is subsidised for PP children but not always accessed. PP families aren't always able to contribute to trips and to special events in school. We want all children to feel as part of our school as any other and therefore will ensure that they don't feel disadvantaged or different.</p>	<ul style="list-style-type: none"> <li>• Head teacher to monitor responses to trips/visits and meet with eligible parents to discuss payment options/funding.</li> <li>• LP to review expenditure half termly with NF</li> <li>• NF to review any requests for funded after school club places and discuss with SLT.</li> <li>• Funded magic breakfast provision monitored and offered where necessary.</li> </ul>		<ul style="list-style-type: none"> <li>• Trips and visits monitored as and when organised by class teacher and funded places offered at discretion of Head teacher.</li> </ul>

The scheme is subsidised so we pay a reduced cost. This has proven to be invaluable to our pupils with high numbers of children attending.</p> <p>We took the decision to continue offering Magic breakfast free to eligible pupils and at a small cost of 50p for non-eligible pupils. Sadly, we still have children who are coming into school hungry so this year, we will budget a small amount of our PPG for any children who are coming to school hungry or who come to school without a snack for mid-morning break. Pupils accessing this will be tracked to ensure that Magic breakfast is offered and utilised where possible.</p> <p>We now have a 2 year old nursery in operation which is allowing us to provide early intervention and support to our youngest children. Speech and language continues to be of a concern for us so we continue to provide speech and language support and refer into specialist services where necessary.</p> <p>A small amount of pre nursery groups continue during the morning again with an emphasis on speech and language in some of these groups. Our most vulnerable families continue to be supported via the TAF/CAF process with our family support team and other agencies where the need is identified.</p> <p>The family support team have facilitated and delivered many group and one to one sessions with children to identify and remove barriers to learning.</p>	<p>Our two year old nursery has been a success this year and is providing children with an excellent start to their journey with us.</p> <p>Many families are still seeking advice and support from our family support team for both themselves and their children. Without the team in place, we believe our children would be disadvantaged. The team are trained to help children to work through numerous issues and problems that they face and in liaison with the leadership team and SENCO, can signpost and refer children to various agencies where necessary.</p> <p>The magic breakfast offer continues to be a huge success and the offer for free breakfast for all PP children remains.</p>
